MFS® 403(b) MUTUAL FUND APPLICATION

To establish an account with MFS® Heritage Trust Company℠ as Custodian

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

You must provide the following information for each person listed on the account: name, date of birth, Social Security number or taxpayer identification number, and residential address (a P.O. Box is not acceptable). We also may ask to see your driver's license or other identifying documents. In the event that MFS Service Center, Inc. (MFSC), on behalf of the fund, is unable to verify the identity of investors, MFSC and the fund reserve the right to take additional steps up to and including closing the account if required by applicable law.
